

Town of Oakham

Board of Selectmen

Special Session

Minutes of April 27th, 2021

Location: Maple Street

Present: Bradford Taylor, *Chairman*; Lucy Tessnau, *Vice Chairman*; Don Haapakoski, *Clerk*

In attendance: Highway Superintendent, Kevin Currier; Members of the Oakham Highway Dept.

Meeting opened at 9:13 AM by Chairman, Bradford Taylor

Members of the Board of Selectmen and the Oakham Highway department walked down the hill on Maple Street and discussed different paving and sidewalk options, as well as some drainage concerns that were previously addressed. After the brief discussion the board agreed to have Highway Supervisor, Kevin Currier contact National Grid to see if they can have the telephone poles moved back a few feet from the road. Kevin said that this will allow for the sidewalks to remain on both sides without the poles in the middle of them.

The meeting adjourned at 9:35 pm.

The Selectboard continued to their next scheduled special meeting on East St.
