

Fobes Memorial Library Trustee Meeting Minutes AUGUST 17,2023
Attending: Sam Bodine, Lisa Huntington, Emily Glidden, Susan Meyer

Okayed minutes from July 18, 2023

SB had both select board candidates request non-anonymous questions at the Candidates night. We agree with whatever they are comfortable with. Tim Howe will give a presentation on the fire truck first. Sept 14 is Election Day.

Bay State Pump co from Holden, the subcontractor for Cliff Cummings, will charge us \$5450 to deepen the old well down by 100 ft. It would be \$20 per foot beyond that. Less than we expected for once. Sam will schedule, we will use ARPA funds.

Phil Warbasse told Sam that the playhouse can't be classified! Fire chief Tim Howe stopped by at the same time. He wants a smoke detector and reflective exit signs.

Lisa will install a 36" wide serpentine stone dust path for the handicapped requirement.

Wachusett Landscape and construction bid \$5500 to repair asphalt for a level handicapped spot. No to ARPA funds, we will use Crombie trust fund. Sam will submit Phil's new plan for a building permit to Duffy. Do we need an occupancy permit or will it become part of our general permit?

Sam's contract was altered by town counsel and now includes a 3 month probationary period. We agreed to send it back to counsel to have that objectionable section removed.

Next meeting in September as needed
