

Climate Pollution Reduction Strategies **PUBLIC WORKSHOP**

Are you worried about climate pollution affecting the natural environment around you?

Are you worried about the health effects that climate pollution may cause in your community?

The Central MA Regional Planning Commission is looking for feedback from the public to hear your ideas for reducing climate pollution in the **Barre, Oakham, Rutland, Princeton, Holden, Paxton, and West Boylston region**. Please join our free public workshop to share your ideas in order to help our towns unlock match-free federal implementation dollars to reduce climate pollution across Central Massachusetts.

****Workshop is open to the public.**
Refreshments and kids activities available on-site.

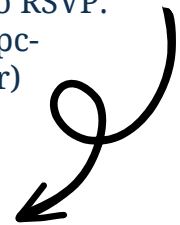

How do I attend?

Location: Quabbin Middle/High School (800 South Street, Barre, MA 01005)

Date: Monday, December 18, 2023

Time: 6-8 PM

Please scan the QR code below with your phone to **RSVP** OR navigate to our website's "Calendar" page to RSVP: (<https://www.cmrpc-cprg.com/calendar>)
